

Safer Homes is a FREE service offering:

- Free door locks, window locks, door restrictors, personal attack alarms, etc. All installed by an experienced team of fitters;
- Crime prevention advice and information and a contact list of appropriate support agencies;
- A sympathetic and strictly confidential service.

Safer Homes is available to **ALL victims of Domestic Abuse who are threatened with attack to their person or property, or persistently harassed.**

Safer Homes is part of the Denbighshire Community Safety Partnership working with North Wales Police, Local Authority, Women's Aid, Victim Support, Social Services, North Wales Probation, Local Health Board, Education and other statutory and voluntary agencies.

Safer Homes Aims:

- To reduce levels of domestic abuse within the community;
- To reduce the fear of repeat victimisation, harassment and other forms of threat to person or property;
- To provide victims of Domestic abuse with a home security service;
- Provide a non-means tested service.
